Revista Desafios – Cátedra Amílcar Cabral

Call for original papers

Edition: November 2016

Submission of papers: from 20 January to 30 May 2016

The Revista Desafios of the Cátedra Amílcar Cabral, University of Cabo Verde (Uni-CV), invites national and foreign researchers to submit articles for publication of its third issue, to be published in November 2016. The papers are to engage in reflection and analysis, perspectives, constraints, and challenges, related to the Cabo Verdean nation. The papers should address the following themes: a) the 40th anniversary of the national independence; b) 25 years of multiparty electoral democracy; c) the legislative, local, and presidential elections in 2016.

Interested authors should submit their proposed papers by May 30, 2016. All submissions, in MS Word format, need to be by email: amilcar.cabral@adm.unicv.edu.cv

The received papers will be subject to anonymous peer review process (double-blind peer review) in accordance with the available online publishing standards (see here guidelines for publication).
